This booklet is a list of CCHP's network pharmacies for individual, family and group plans. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to CCHP members. In most cases, your prescriptions are covered under CCHP plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please contact us or visit our website at www.cchphealthplan.com. Our contact information appears on the last page of this directory.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory. You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with "+".

This directory is for San Francisco and San Mateo counties which covers the area where you live. However, we cover a larger service area, with more pharmacies where you may fill your prescriptions drugs. For information on additional pharmacies where you can get benefits under this plan, please contact Member Services.
